A hand-drawn diagram showing a container with a blue liquid at the bottom. A thick black line starts from the top left and curves down to meet the surface of the liquid. The text 'L400' is written in a bold, black, hand-drawn font in the upper right portion of the container. The background of the container is light blue, and the liquid is a darker blue. The drawing is simple and appears to be a sketch or a diagram for a technical or scientific purpose.
