

Benim adım kayısı.

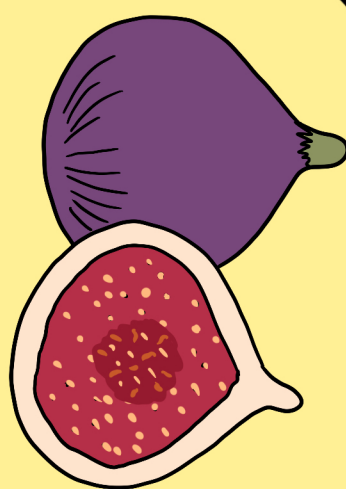

Ne güzeldir kurusu.

Malatya'nın altınıym.

Bağırsaklara faydalıyım.

@zehra_ogrtm

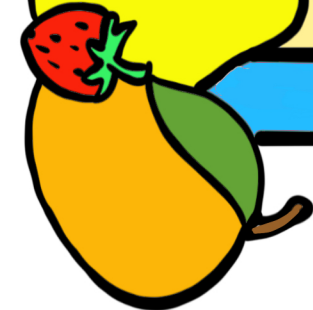

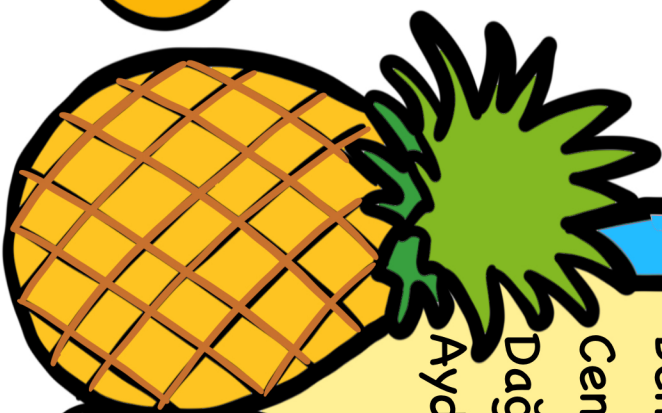

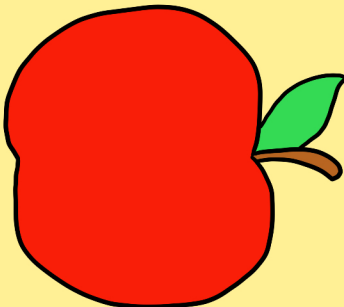

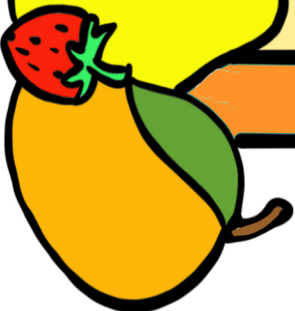

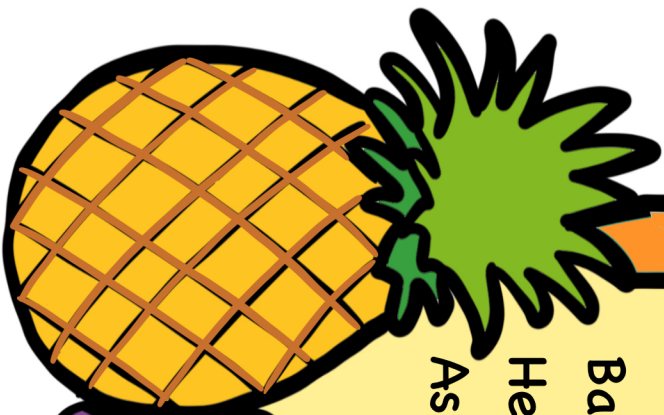

Ben bir incirim.

Cennet meyyesiyim.

Dağlarından bal akan,

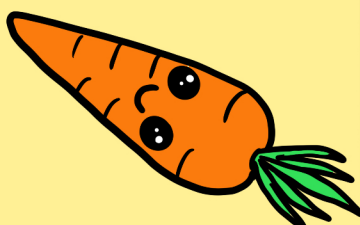

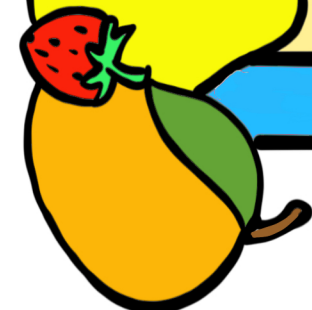

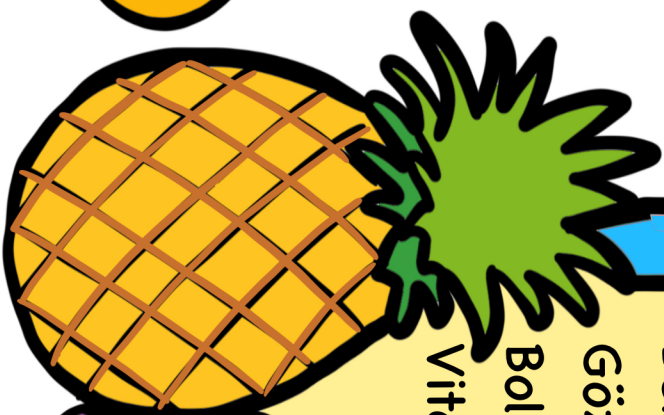

Aydın'ın incisiyim.

Ben bir elmayım.
Bal gibi tatlıyım.
Her derde devayım.
Aslen Amasyalıyım.

@zehra_ogrtm

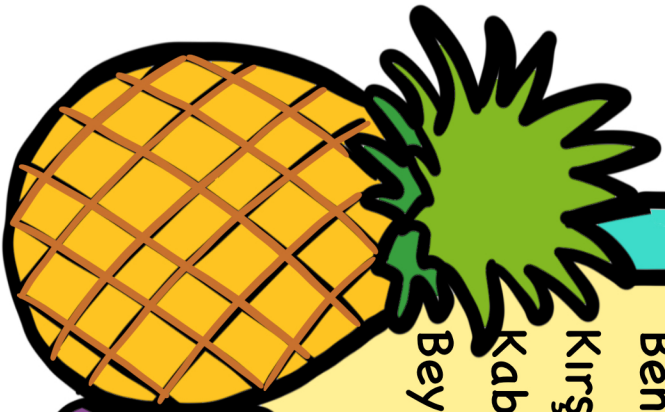

Ben bir havucum.
Gözlerinin dostuyum
Bol bol ye benden,
Vitamin deposuyum.

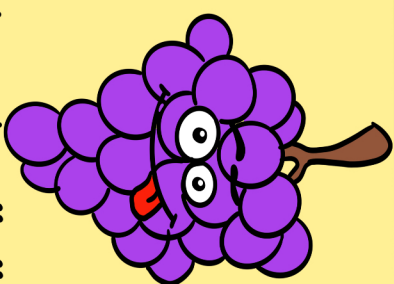

Ben bir cevizim.

Kırşehir'den gelmişim.
Kabuğum serttir ama,
Beyninin dostuyum.

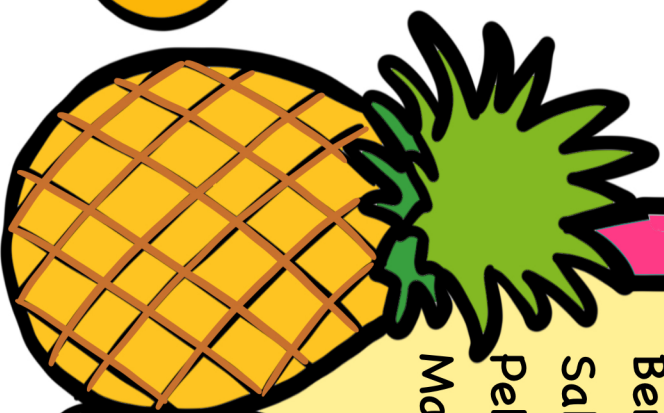

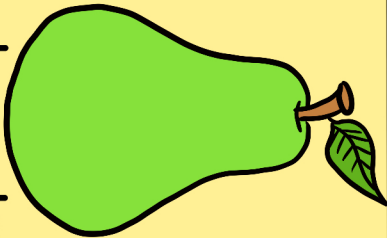

@zehra_ogrtm

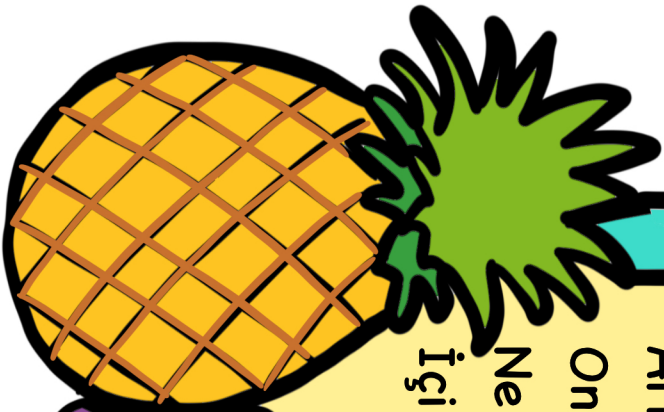

Benim adım üzüm.

Salkım salkım dizildim
Pekmezimle,hoşafımla
Manisa'dan merhaba.

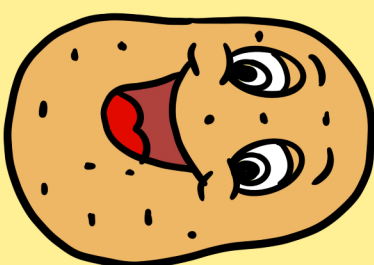

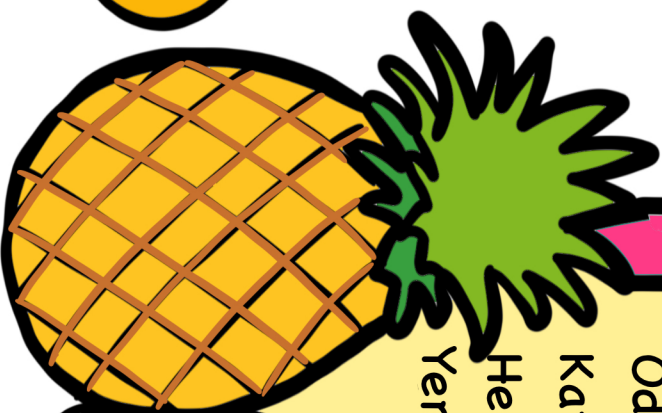

Armudu unutmayın,
Onu da baştan sayın
Ne güzeldir kokusu,
İçi dolu ballı su.

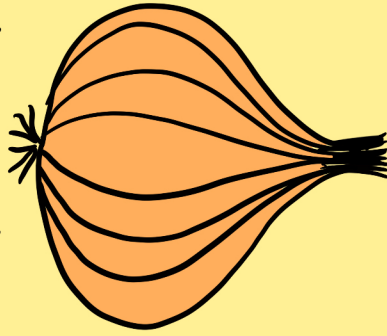

@zehra_ogrtm

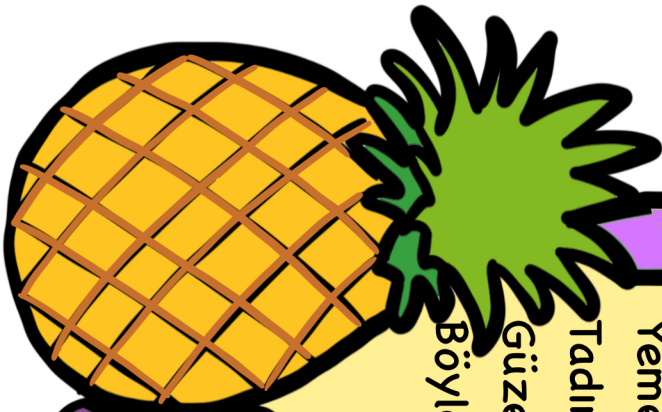

Ödemiş'te sarısı
Kars'ta ise var beyazı
Her yemeğin başıdır
Yerin altında saklıdır.

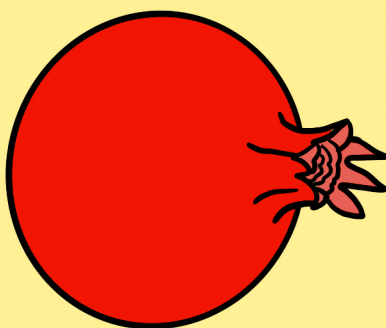

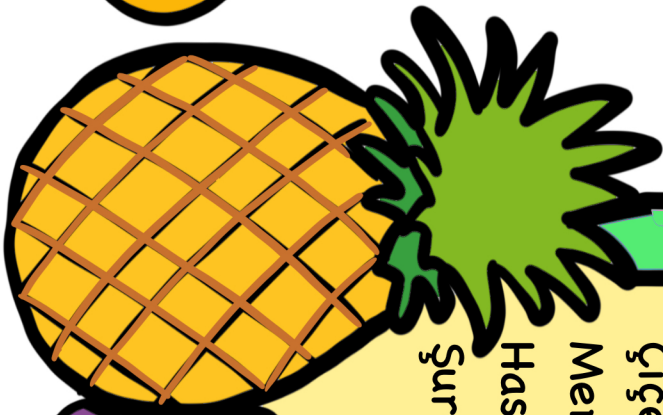

Yemek onsuz olur mu?
Tadına hiç doyulur mu?
Güzel soğan,sarı soğan
Böyle ağlatmak olur mu?

@zehra_ogrtm

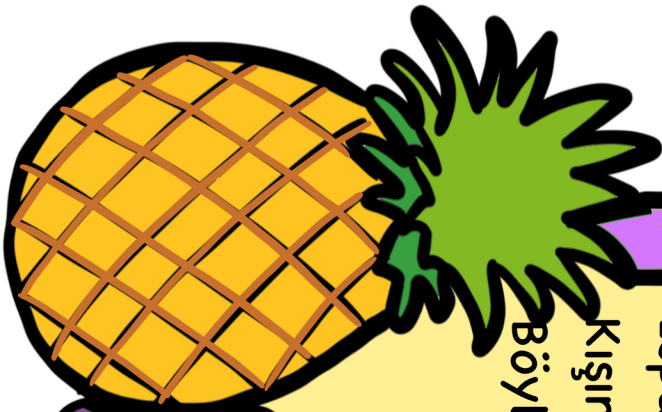

Çiçek olur açılırım,
Mercan gibi saçılırım.
Hastaya nar sorulmaz
Şurubuna doyulmaz.

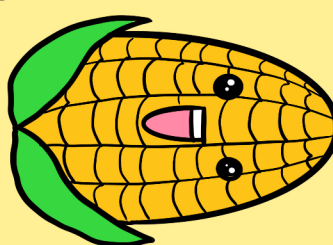

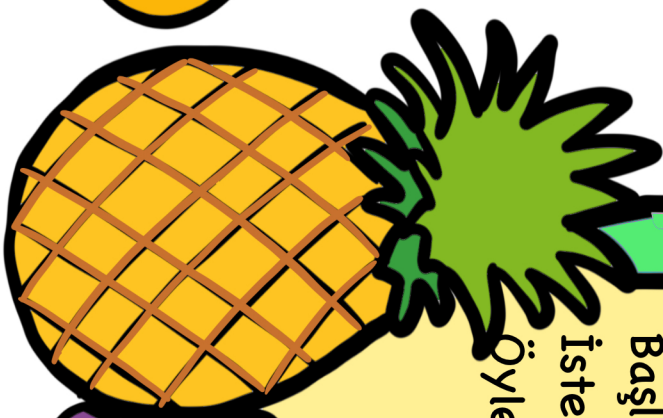

Sebze deyip kanmayın
Ispanaksız kalmayın
Kışın yiyin bol bol
Böyle kısa kalmayın.

@zehra_ogrtm

Patlatınca mısırı
Başlar hemen eğlence
İstersen kaynatarak ye
Öyle daha güzel bence
